2023 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Manalapan Township FD No. 2

FISCAL YEAR: January 1, 2023 to December 31, 2023

Answer all questions below using the space provided. Do not attach answers as a separate document.

February

1. When is the Fire District's annual election? (February and/or November)

If November, was the resolution submitted to the Division?

2. Complete a brief statement on the 2023 proposed Annual Budget and make comparison to the 2022 adopted budget.
The 2023 proposed budget reflects an increase in appropriations in the amount of \$73,135.00. In comparison with the 2022 budget, the
tax rate *is rediced by \$ 0.001 from the prior year. Unrestricted Fund Balance is being utilized in order to stabilize the tax rate. Due to
inflation and rising costs, the district has been able to stabilize their costs.

3. Explain any variances over +/-10% for each line item. Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

Total Salaries have increased by \$ 17,081.00. As a result of no increase in the prior year, and the results of inflation, the board has determined the increase to be reasonable. PERS has increased by \$ 1,043.00 and Fringe Benefits have increased by \$ 4,002.00. This is due to the expected bill increase from the Division of Pension and Benefits. Debt has increased by \$ 1,125.00 according to the debt schedule. Election expense has increased by \$ 1,000.00 due to increased costs resulting from regulations regarding the new voting procedures. Payroll Taxes have been reduced by \$ 3,105.00 as a result of an excess provision in the prior year. Pfrofessional Fees have increased by \$ 40,000.00 due to increased legal issues concerning easements on sewer and right of way with an opticom system and other non litigation matters. Travel Expenses - Admin have decreased by \$ 5,000.00 due to less travel expected in the 2023 year.Rental Charges increased by \$ 5,766.00 due to increased costs and the contractual agreements. Contracted Services with the volunteer fire company have increased by \$ 2,423.00. Again, due to inflation and increased costs, an agreement was reached with the fire company. LOSAP has increased by \$ 1,800.00 based on the projected increase in the annual CPI Adjustment. The provision for future capital outlays has increased by \$ 7,000.00. Based on the future capital plans of the district, the district intends to eliminate any prospective borrowing in the future, thus saving the taxpayers any increased costs in any acquisitions. The total increase and decreases amount to a net increase of \$ 73,135.00.

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised by taxation for the proposed budget for the 2023 year has decreased from the prior year by \$ 19,555.00. The total budget for the proposed 2023 year has increased by \$ 73,135.00 from the prior year. However, due to an increase in ratables and an increase in the amount of fund balance utilized, the district was able to reduce the tax rate for the 2023 year. The local fire tax rate is estimated to be \$ 0.041 per \$ 100 of assessed valuation as compared to \$ 0.042 for the prior year. Unreserved Fund Balance utilized for 2023 and 2022 is \$ 195,964.00 and \$ 103,274.00 respectively. The Restricted Fund Balance is not utilized for the 2023 and 2022 years. The district does not anticipate any impact on the following years budget as the balances in both funds remain sufficient for future use.
