RE: 2023 Fire Election

Thank you for your continuing cooperation as we approach the 2023 February Fire Election. As you are aware, back in August of 2018 and 2019 Governor Murphy signed into law that mail-in ballots be issued for every election to all voters who voted by mail in the 2016 general election and all voters who voted by mail in any election in 2017 & 2018. As such, there are approximately 20,000 voters in Monmouth County who will receive a mail-in ballot for the 2020 February Fire Election.

Following the law, any voter who received a mail-in ballot but has not returned it and shows up at the polls to vote must be allowed to vote by provisional ballot N.J.S.A.19:63-20, and if for any cause a voting machine fails to operate, a voter shall be supplied with an emergency ballot to cast their vote N.J.S.A.19:53B-3.

Per the request of the Board of Elections and similar to last year, we must use mail-in & provisional ballots that can be machine counted due to the potential that large numbers of mail in ballots may be submitted for counting. To accommodate the use of mail-in & provisional ballots to be read by machine I am offering to manage the preparation of all ballots (mail-in, provisional, machine, & emergency) for your fire district. If you would like to have my office manage the preparation of the ballots, we require the following information from your fire district:

1. Office Title, Term, & Number of Candidates to be voted for
2. Candidate Names in the order they should appear on the ballot
3. Text of Public Question(s) in a separate Word document

Please send the above information on the attached spreadsheet to my deputy for elections, Judith Ricci, no later than Monday, January 30th. The spreadsheets should be sent via email to Judith.Ricci@co.monmouth.nj.us.

Note that we will be forwarding the list of all voters who received mail-in ballots to the Superintendent of Elections for you to pick up when you pick up the voter registry lists so that you can ensure that voters who received mail-in ballots do not vote at the polling locations.

As a reminder to all, we will be seeking financial reimbursement from the fire districts post-election for the mailing of the ballots as well as the ballot scanner programming.

Any questions, please feel free to contact me or my deputy for elections, Judith Ricci.
